The certification information of the above-listed asbestos analytical labs is updated monthly. While most labs renew their certification on or before the expiration date of the certification, DLS recommends that you call our office at (617) 626-6960 to verify a lab's certification status prior to the lab performing any analysis of asbestos containing materials.

The certification information of the above-listed asbestos analytical labs is updated monthly. While most labs renew their certification on or before the expiration date of the certification, DLS recommends that you call our office at (617) 626-6960 to verify a lab's certification status prior to the lab performing any analysis of asbestos containing materials.
